

# Utility Arborist Association Webinar Corporate Sponsorship Form 2018

---

Educational webinars are offered throughout the year to UAA members which allows for them to earn additional CEU's throughout the year. A minimum of 6 webinars are offered per year on a variety of topics related to the utility vegetation management industry. Webinar topics are posted in the members only section of the UAA website.

Webinar corporate sponsors are recognized for all the UAA webinars in a calendar year with your company logo displayed as our sponsor. Sponsor recognition is noted in all avenues of marketing for the webinars, which includes the Utility Arborist Newslines, Facebook, the UAA website, LinkedIn and Member Updates. Webinar sponsorship is \$700 per year.

Please complete your webinar sponsorship request.
